As Agri-Expo celebrates **190 Years of Heritage and 25 Years of Innovation** as the oldest agricultural society in South Africa, it is an exceptional privilege to present the South African Dairy Championships for the 189th year.

Innovation indeed signifies several highlights of this prestigious flagship project over many years, from the development of the *Qualité* logo as the only mark of excellence for SA dairy products in 2001, to remarkable renewal in response to the worldwide pandemic. As the only organisation in the world that could present a major dairy championships continuously over the past three years, we hosted the very first virtual awards event in the South African agricultural sector in 2020, and successfully adapted the championships judging process to two days in 2021. These changes paved the way to the very well received new concept of a hybrid SA Dairy Awards, hosted for the second time this year at the exquisite Cavalli Estate as well as online on our website.

A project of this magnitude cannot be presented without the continued support and commitment from our partners that invest in the South African Dairy Awards. On behalf of the dairy industry, a heartfelt thank you to our Platinum Partners Synercore and Agri-Expo, as well as Chr.Hansen, AECI Food & Beverage, the Western Cape Department of Agriculture, Woolworths, IMCD SA, Condio, Hollard, Orchem, Mane, Polyoak Packaging, and The Dairy Mail.

Our sincere thanks to the team of 30 judges per day who adjudicated more than 900 products at Elsenburg to crown the South African Champions, *Qualité* Award winners and the South African Dairy Product of the Year. This year, more than a quarter of the judges were a new team, creating a valuable learning experience through exposure to the full scope of dairy products in South Africa.

The extraordinary 920 products entered by 68 manufacturers this year are reasons for us to be optimistic about the future of the dairy industry in South Africa. Congratulations to the 105 South African Champions, the 26 winners of the acclaimed *Qualité* mark of excellence and to the 2022 South African Dairy Product of the Year! We salute you for your ingenuity, teamwork, and commitment to excellence.
