How fortunate we are to once again rewrite the history books in 2025, with a record-breaking **1 110** product entries. We are honoured and privileged – but also deeply humbled – by the industry's trust and commitment to Agri-Expo.

The **South African Dairy Championships** plays a vital role in recognising and rewarding excellence in the dairy industry. It serves as a platform to showcase exceptional dairy products, highlighting not only their diversity and quality but also the significant contribution the industry makes to the South African economy.

Each year, we review the judging process and awards in collaboration with the Advisory Panel, making adjustments where necessary to ensure the competition remains relevant. This year, we revised the yoghurt scorecard, as it was originally based on the cheese scorecard. We also expanded our judging panel significantly, inviting **more than 100 experts** to adjudicate. These changes reflect Agri-Expo's commitment to industry feedback and our dedication to evolving and transforming the **SA Dairy Championships** in line with industry needs.

**A project of this scale would not be possible without the continued support of our partners.**

**On behalf of Agri-Expo and the dairy industry, we extend our sincere gratitude to:**

- **Platinum Partners:** IMCD and dsm-firmenich
- **Diamond Partners:** SIG and Novonesis
- **Gold Partners:** Synercore, Woolworths, Condio, Checkers, IFF, Orchem, Hollard, and the Western Cape Department of Agriculture
- **Silver Partners:** Pick n Pay and Mane
- **Bronze Partner:** AGRANA Fruit and NutroChem
- **Product Sponsors:** Veritas and Driven Events & AV

We look forward to continuing this journey together for many years to come.

A special thank you to all the judges who evaluated 1 110 products to determine the **South African Champion Awards**, the prestigious **Qualité Awards**, and the ultimate **Product of the Year Award**.

Finally, we applaud every manufacturer who has placed their trust in Agri-Expo to build on this remarkable legacy – one that the dairy industry can truly be proud of. Congratulations to all the winners! Your hard work, passion, and dedication are truly commendable.
